

How to add an ECalculator button to the Ipad desktop

Open the browser and visit <http://www.jhadvancedmarkets.com/Ecalculator>

Tap the bookmark icon to the left of the address bar

Tap the "Add to Home Screen" button

Tap the field to change the name of the bookmark and tap "Add" button
The "Estate Tax" icon should appear on the desktop. From this point forward, clicking this button should take you to Estate tax Calculator
